This book makes my child fall asleep mid way through the book! We have used this book every night since i bought it. Get this book you will not be disappointed!!!! I have a (now) 4 year old boy

who LOVES to pretend he's not tired and tries to fight his sleepiness at bedtime. When we tried this book, I didn't even make it all the way through before he was sleeping. He fell asleep after page 2!!! I read it all, like the directions say to, and after I finished, I needed a nap! It definitely works lol. It's less boring than "the rabbit who want to fall asleep"!
