Black And Blueberry Die (A Fresh-Baked Mystery Book 11)

Synopsis

In the latest from the nationally bestselling author of *The Candy Cane Cupcake Killer*, Phyllis Newsom returns with a blackberry and blueberry pie recipe that's too good to die for! It's late summer in Weatherford, Texas and Mike Newsom's childhood friend is sweltering in prison for a crime he claims he didn't commit, murdering his wife. So instead of asking his mother to please stop investigating a murder, as he usually does, he asks her and Sam to please help his friend. Danny Jackson, found guilty of beating his wife Roxanne to death at the ritzy hair salon where she works, was sentenced to prison for 30 years. His pleas of innocence fell on deaf ears, so it's up to Phyllis to find what actually happened. She finds there are a lot of secrets and lies being told, and Roxanne was in the middle of them all. Though Phyllis doesn't want to get mixed up in another murder investigation, her son rarely asks for favors, and certainly not favors like this. She has to untangle the lies and comb out the facts to find what happened that dark night. Includes recipes!

Phyllis Newsom and Sam Fletcher are back and better than ever! Phyllis has helped solve murders in the past, so when her son Mike, a deputy sheriff, asked her to please help prove his friend Danny's innocence, she reluctantly agreed. Danny has been accused of murdering his wife Roxanne. Phyllis and Sam, working with Danny's attorney Mr. D'Angelo, do everything they possibly can to find the real killer. I love this series and I highly recommend it! Livia J. Washburn is a phenomenal author and I can't wait for the next book!

I enjoy the Fresh Baked mystery series and this one is another great read! The plot was well laid and the ending quite surprising - a perfect mystery book. The recipes are an added bonus!
