## Synopsis

\*\*\* LIMITED TIME OFFER! 2.99\$ INSTEAD OF 4.99\$ \*\*\* Social Security: Time for a Life of Leisure  
The Guide of Secrets to Maximizing Social Security Retirement Benefits and Planning Your Retirement  
The primary purpose of this book is to provide additional information to all readers about the Social Security. Even though the program has existed since the 1930s, most people still find it difficult to understand some of its aspects. These aspects can play a huge part in how much money they will have at certain age. This book starts with basics about the Social Security. You will read about what it is, what it refers to, and what is covered by Social Security. Then, historical background will teach you about some of the earliest forms of Social Security in history. Additionally, the evolution of Social Security in the United States is presented with amendments that changed the Social Security Act and made it more convenient for beneficiaries. To make things easier, the book contains the key facts about Social Security, and who knows maybe some of your beliefs about the program will turn out to be wrong. The book also contains some things you simply have to know about Social Security. Did you know you can claim benefits even when you're divorced? Or when you're divorced but your ex spouse died? For women, there is a special chapter, which elaborates on the role of women and their part in Social Security. This is an essential topic if we consider the fact that women are still not paid equally as men. Moreover, this book will reveal some tips and strategies on how to minimize your tax and increase benefits. This guidebook also reveals the true importance of Social Security and provides quality information about Social Security numbers.
