Writing Books For Kids And Teens (Self-Counsel Writing)

Synopsis

Do you have an active imagination? What about an adventurous spirit? Then why not apply them to writing a children's book? Whether you choose to write fiction, nonfiction, or even scripts for children's radio, television, or theater, Marion Crook provides a systematic approach for new and published writers alike. Using extensive examples, this book highlights essential considerations when writing for young readers. Learn how to determine what age group to write for, create believable characters, research setting, and write realistic dialogue -- it's all here in this comprehensive book.

Customer Reviews

I found this book on writing for kids and teens to be very helpful. It was easy to follow although I wish there had been more information on writing the non-fiction children's book. I especially liked the way the author organized her material and presented it in an easy to read manner.
