Customer Reviews

This was my first purchase for this annual publishing, and I LOVE it. As a beginner Wiccan this book has given me the understanding and knowledge I am currently seeking. It has fun craft ideas and wonderful recipes. I am looking forward to each high day and celebrating in my own personal way. I would highly recommend for any new or beginner Wiccan and even if you're advanced in the practice you'll enjoy the reading, recipes, and maybe even the crafts.

As expected great information I am ready for 2017

As someone who has purchased these books for years, I have always found them to provide very useful information. Love reading them from year to year. My one wish? KINDLE EDITION

First year for this and Implan to use it quite well and learn from it.
