Free Library Books: How To Find Free Books For Kindle Using OverDrive (Kindle User Guides Book 3)

Synopsis

Is Kindle Unlimited too expensive for you? Perhaps you don't want to spend the money for Kindle Unlimited, or you don't like the books that are available. All you want are the best sellers, which never seem to be available through Kindle Unlimited. Have you been to your local library recently? The library has all the books you want, but you have to haul them around, and you love the convenience of having an e-reader in your bag whenever you want it. Did you know there's a way to get the best of both worlds? You NEED OverDrive if you have a Kindle. The simple truth is that if you own a Kindle, but you're not taking advantage of OverDrive, you're missing out on a lot. What if every book you wanted to read was free and available for you on the Kindle? That's the promise of borrowing library books through OverDrive, and it's EASY. Click "Buy now", and this might be the last book you ever buy on .

Whenever I see a book by Ronald Peter I grab it. The man knows his way around internet gadgets

and how to make the most of them. In his latest book *Free Library Books*, he discloses a little known secret on how you can borrow e.books from your library and never pay a penny for expensive research material or for your recreational reading pleasure. All you need is a library membership, an Overdrive Account and a kindle app. In true Peter fashion he shows you the exact methodology on how to access this valuable resource - just think, no more schlepping off to the library, no more cumbersome bundles to carry and ... no late fees! Its as good as it gets.

I'm a bit of a fiend when it comes to downloading free Kindle books! I can't help myself when I see a book slashed down to a free download. I only get around to reading some of them though, and it's difficult to navigate through all of my downloads. OverDrive has helped me out a lot with managing my free books, and getting more of the books I actually want to read. I didn't even know about it until I found this book, and it's provided me with the perfect guide on how to use it effectively to get the best free books.

Very helpful tips on how to get free books. For someone like me who has a tendency to binge purchase this book offers several great tips to enable me to get my book fix without spending a ton of money.
