Understanding Islam - 52 Friday Lectures: Keys To Leveraging The Power Of Allah In Your Life

Synopsis

For many years I have felt the need for two things: Jumu'ah Khutbaat which are relevant to contemporary issues, delivered in simple language and idiom easily understood by common people and from which they can clearly take home application lessons. For the Khateeb it is always a challenge, having to think of an idea, researching material to support it, put it together as a Khutba and delivering it. I know how much of a help it is to have ready material on hand. With that in mind I decided to publish this book of 52 Khutbas (good for the full year which has 52 weeks) which I delivered at our masjid on Road # 9, Banjara Hills, Hyderabad, in the hope that those who have to give Khutbas will find it useful. Naturally I hope that this book will be useful and indeed enjoyable and a source of guidance and application of the Islamic Way in our lives, not only for Khateeb but also for all those who wish to read it and take heed of the subjects. The book is presented at cost and is available as a free download from my site www.yawarbaig.org
