## Customer Reviews

Rite of Passage is a great book for starting out a character and a pack. It give you info on how to get started and then an adventure to carry you through. Valkenburg Foundation is interesting if only for the nefarious skin-dancer Samuel Haight. An interesting read and it seems to have the makings of a classic adventure.

Really a blast from the past. I've just got my hands on werewolf 20th anniversary edition and plan to use this book as my player's intro adventure to the game.
