Object Relations Individual Therapy (The Library Of Object Relations)

Synopsis

Emphasizing the transformational possibilities that grow out of their relational model of therapy, David E. and Jill Savege Scharff invite us into the territory of interactive journeys with individual patients. A contemporary classic.

Customer Reviews

The Scharffs provide a good review of the contributors to and the evolution of object relations therapy and an excellent view into the world of object relations therapy as done in individual therapy. Their interpretations of the subtleties observed in the transference/countertransference process is most enlightening.

Excellent!
