Pokemon Go : The Complete Guide (Strategies For Rare And Legendary Pokemon): Pokemon Go Ultimate Guide : A Robust Tutorial Backed By Over 200 Hours Of Research And Data With Daily Tips (iOs, Android)

Synopsis

Stop Settling For Beginner Guidesâ | This Book HAS EVERYTHINGThis Pokemon Go Guide Is Designed To Take You From A Complete Beginner To An Elite Pokemon Master. Unlike Other Guides, We Donâ™t Stop At How To Play The Game, We Tell You Strategies That Will Change The Way You Play Pokemon Go. We literally analyzed the game code, used PHD level statistics and played the game for over 200 hours to give you the most detailed guide to Pokemon Go you will EVER find.This Complete Guide Includes- Step By Step Guides For Catching Rare and Legendary Pokemon - Detailed Explanations Of Spawning Based On The Actual CODE In The Game- Insane Walkthroughs Of Battling To Help You Understand The Gym System That Goes Beyond Your Traditional âœ Tap and Dodgeâ • Vivid Explanations for EVERY SINGLE MOVE In The Game- Results Of 200 Hours Of Advanced Data Analysis (We used PHD level statistics and math)Yeahâ | This isnâ™t your momâ™s guide. If youâ™re serious about being the best this guide is it for you. You will NEVER find a guide with this much detail and this much data (over 20,000 words). This is NOT theory. Itâ™s facts taken from the game, the code behind the game, statistics and real results. If youâ™re a beginner, intermediate or advanced there is something in here for You!Reading this guide will guarantee you to be a step above other players. In fact, check out our table of contents:Introduction/PrefaceChapter 1 â“ Pokemon Go IntroductionAbout Pokemon Goltem GuideBasic Gym GuideChapter 2 â“ Data Mining & SpawningChapter 3 â“ PokÃ©mon Individual ValuesThe Actual CodeChapter 4 â“ Advanced Gym InformationGym TrainingAttacking GymsBattling MechanicsChapter 5 â“ Rare Pokemon StrategyStarterCatch RatesRare PokemonChapter 6 â“ Power Levels StrategyEvolution LevelingGym LevelingChapter 7 - Gym Leader StrategyCombat BasicsGym DefenseGym OffenseChapter 8 â“ Neat Tips & TricksPidgy StackingNo WalkingUsing Otherâ™s LuresNYC Rare PokÃ©monEEvee evolutionQuick FlickHatch And CatchChapter 9 â“ AppendixExperience & RewardsEvolution RequirementsPower Up CostsLevel MultiplierDefensive TiersOffensive TiersQuick MovesCharge MovesMedalsAs you can see, weâ™ve broken the game apart for you so you can easily learn from it. Our beta readers have created INSANE pokemon accounts just by reading this. Some caught every single rare pokemon in the game (Charizard, Dragonite, Gyarados, etc.)This guide is comprehensive, effective and the ONLY guide you will ever need to play Pokemon Go at a level no one else plays it. Read this guide and I guarantee you will become a pokemon master.

Customer Reviews

I like the depth that this book covers. You can tell that the authors put a lot of thought and effort into making this guide. I've been playing this game for over a week and learned a lot of tricks on leveling that actually surprised me. For beginners this guide covers LITERALLY EVERYTHING you need to know about the book. If you're more advanced, this guide covers more advanced stuff like IV, power leveling, and an in depth gym guide. Got my moneys worth so thank you to t he author.

Simple to semi advanced tips and tricks for playing Pokemon Go. Most interesting are the chapters on gyms, and rare Pokemon spawn canvassing, but you can get that info online now. Many 5 star ratings for this book may be bias, as the author offered a free LVL 20+ account in exchange for a book purchase and review. If you are here to claim that deal, don't bother. The accounts were most definitely built up using cheats because they are getting banned by Niantic. Inquiries to customer service about banned accounts / and possible cheating go unanswered. Save your money.

I really do like this book it is great for helping out poke players when they are stuck I'm a poke player also but I'm also really close to becoming a level 20 but this book will teach you what to do and how to level up really quick I actually wouldn't mind recommending this book to a couple of my

buddy's because they are real low levels in the game so I just wanted to say thank you Cythia Pearson for taking the time to come out with a book for new and old Pokemon players this will defiantly help out some people

I've been trying playing the game for a while now and didnt have much luck catching anything good, except from hatching eggs. This book goes in depth and gives you tons of info and tips for the game. Ive been playing this game for a couple weeks, and i learned so much more from reading this book. Whether youre a new to the game or have been playing for a while i highly recommend getting this.

This is an amazing guide!! Its easy to understand and really helpful! This guide truly shows how much time and effort have been put into the game to help others and I'm glad I was able to read it. It really has helped me catch a lot of cool new pokemon.

I think you did amazing on this book. It's even better because with all your hard work you let other people know your secrets to the game when you could easily keep it to yourself.

Great and insightful, has all the stats and strats you need to be a great trainer. Even gives you step by step instructions for the best way to hunt rare Pok  mon.

Really great book,a must have if you want to understand how to catch rare pokemon. Has been very helpful to me, caught a dragon items on the second day!!!
