# Plagiarism, Copyright Violation, And Other Thefts Of Intellectual Property: An Annotated Bibliography With A Lengthy Introduction

## Synopsis

What is intellectual property? Should copyright laws be modified to accommodate new ways of transmitting information? The debate over such questions has reemerged with the growth of the Internet and other means of electronically storing information. Over 600 articles written from 1900 through 1995 are fully annotated in this bibliography. The citations cover a wide range of material, from humorous anecdotes in popular magazines to scholarly discussions in academic journals. The entries are divided into three parts: the money trail; the detection and proof of violations and the punishment of offenders; and defending ones property. A lengthy introduction first details how the concept of intellectual property came into being and then focuses on how governments and other entities deal with the issue.

## Book Information

Paperback: 201 pages

Publisher: McFarland & Company; annotated edition edition (May 1, 1998)

Language: English

ISBN-10: 0786404639

ISBN-13: 978-0786404636

Product Dimensions: 6 x 0.6 x 9 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)
