## Customer Reviews

"Silence becomes cowardice when occasion demands speaking out the whole truth and acting accordingly." "My goal is friendship with the whole world." "In matters of conscience, the law of majority has no place." This book is an excellent compilation of quotes from Mohandas Gandhi. If you admire Gandhi, don't just buy one. Like me, you are likely to want to give a copy or two to friends as gifts. Highly recommended.--Guy P. Harrison, author of Race and Reality: What Everyone Should Know About Our Biological Diversity and 50 Reasons People Give for Believing in a God
