This book has straightforward systems on the most proficient method to recognize and remediate

the chakras parities. It regards realize that chakras and diverse chakra focuses if known, can be exceptionally useful in adjusting our life. This book is not hard to see, but rather still worth perusing for more than one time. Prescribe to any individual who needs to discover the vitality wheel inside body.

I heard about Chakras but did not know about them I am glad that I got this book to read about Chakras & meditation. For meditation and mindfulness I read many books earlier but to know about chakras this is a great book and very interesting one. The information described in this book is very useful to balance the life. Enjoyed reading.

As far as information for beginners - not bad at all, I've read much worse ones, where authors have no clue what they are talking about. I've also read indian books on chakras (more advanced) and this one has correct information about the subject without getting sidetracked. If you need more info than just basic - seek other books.

I am glad to have read this book. It helped me to know about Chakras. I am now starting to learn chakra meditation and eventually positive vibes will come my way. There is an interesting section on balancing your chakras, both emotional and physical.

I started to meditate two months ago, still adapting myself to it. I'm very glad that I got this formative guide when it's on free promotion. It is very helpful to improve my meditation and find my chakras. This book is not hard to understand, but still worth reading for more than one time. Recommend to anyone who wants to find the energy wheel inside body.

As a beginner, I found it enlightening since I don't have any knowledge about chakras. I now have a better understanding of the chakras. This book has offered a very clear and concise explanation of the chakras, as well useful, simple techniques for learning how to balance chakras. I do not feel confused, overwhelmed, or as though my goal is unattainable.

Great introductory books for those individuals who desire to learn about your chakras. Even if you are skeptical but curious, then this is a great book to start off with. Easy to understand, well written and educational.

I am currently learning about chakras and this book has helped with the knowledge and terminology. It only enhances your learning experience. Really good information. I have been implementing it in my daily life with my current class and using this book to further understand has helped tremendously. Truly enjoying this book.
