Customer Reviews

I was really happy to be able to download this book for free! As an avid oils user, I am always looking for ways to expand my knowledge, and this book gave me several new recipes for using my essential oils with my dog. I particularly liked learning about new uses for my oils, like the Flatulence blend lol! Overall, I'd give this book a solid 4 stars.

Good book for starting out. I am interested in the different things they use. Will have to look into this more.
