Synopsis

Puppy Training: How to Housebreak Your Puppy in Just 7 Days...**BONUS FOR ALL READERS FOUND AT THE END OF THE BOOK**...So you're thinking about purchasing or adopting a puppy, or you've already done so and you need more information on how to housetrain your puppy. First and foremost, congratulations on the decision to purchase a new family member! Puppies are adorable, fun, and they will grow up to be a loving companion. However, with a puppy comes responsibility. One of those responsibilities is teaching your puppy the proper place for it to do its business. Depending on your puppy's age, they will need to go to the bathroom every hour to every four hours during the day, and every three to eight hours during the night. But there's so much more to puppy housetraining than just when to take them out! In this book, you will learn how to understand your puppy's needs and how to train them, as well the small nuances that go along with puppy training, such as how to startle a puppy rather than frighten it. Here Is A Preview Of What You'll Learn....

The Psychology of Training a Puppy
Understanding Your Puppy's Needs
Housetraining versus Litter Pan Training
Day 1: The Importance of Routine
Day 2: Regular Eating Habits and Your Puppy's Den
Day 3: Health Complications That Can Cause Problems
Day 4: The Importance of Startling and Not Scaring Your Puppy
Day 5: Adjusting the Routine
Day 6: The Do's and Don'ts of Housetraining
Day 7: The Seven Day Routine for Housebreaking Your Puppy
and much more.....

Awesome guide. Just got a puppy recently and this guide has been instrumental in getting him properly trained. Filled with a ton of helpful advice and tips this book will ensure your puppy gets trained the right way. Highly suggest any puppy owners check this one out for themselves.

If you want to successfully learn your dog the basic actions, you first need to know the psychology of dogs and their needs. Only then you can start with exercises of dressage. In this book you will find a lot of useful information about dogs, and the excellent instruction that will be of great use in dressing. If you are persistent and correctly followed these instructions, in a week you will actually teach your dog to perfectly execute your command.

This is an engaging book that is easy to follow. The Puppy Training book is here and backed with positive reinforcement and tricks that you can use to teach your dog what you want all the time. This book is updated because the author has realized that the dogs have also evolved from the last decade. This book will never disappoint you. Use it and it will provide you with clear and precise information that will make training effective and fun.

This puppy training guide helps you to train your puppy right from the entering into the house. It tells you everything you need to know to go from clueless about puppies to controlling exactly what your

dog is doing. The training information contains in this book is very helpful for first time owners and the simple steps of walking with dog, crate training, house training are easy to very easy to follow. Useful book

After reading this book, first day my puppy actually went to the back door to go outside. Book was short and should be quickly read before you pick up your puppy. I highly recommend you read this book if you have a puppy and you are trying to housebreak her. This is a well written book. I have learned all the guidelines to put in my mind in taking care and training my puppy to be smart and obedient .

It is very serious problem to have small puppy at home. I know it from my own experience. It is very important to look after your dog. It has so much interesting advices about the puppy's health. So I advice the puppy-owners to have this book as a guidebook for every master of puppy,

Most of us have pets and we always try to train them , so that they can behave in a very good manner. The Author has given a full detail on how to train the puppy. I have read this book and using the steps given in the book to train my cute little Puppy. Overall it is a very well written book.

This book is great for first time dog owners. It will give you the best and accurate tips that will help you as a dog owner in training your puppy. Don't worry, this book is super easy to understand!
