Publisher: Urantia Foundation (June 1993)

Language: English

ISBN-10: 0911560009

ISBN-13: 978-0911560008

Product Dimensions: 10.3 x 8.2 x 1.6 inches

Shipping Weight: 3.7 pounds

Average Customer Review: 4.7 out of 5 starsÂ  [See all reviewsÂ \(3 customer reviews\)](#)

Best Sellers Rank: #757,269 in Books (See Top 100 in Books) #29 inÂ Books > Religion & Spirituality > New Age & Spirituality > Urantia #9323 inÂ Books > Reference > Foreign Language Study & Reference

## **Customer Reviews**

The best and only printed exhaustive Concordance of the Urantia Book. The type size is not too small, the layout is very clear and the format is simple to use. It is even better than the Strong or Young exhaustive Concordances of the Bible, because it cross-lists every word it doesn't itemize references for, in the body itself. The Concordex is both incomplete and topically oriented, and the Indexes of the various editions of the UB are also incomplete and topically oriented, which I also own, but for different functions. The three advantages of the print version over the electronic version are that you can more easily identify unusual words unique to the UB that you wouldn't know to search for without seeing them, you can get a sense of the quantity of references for a particular word more quickly at a glance instead of having to scroll through multiple pages, and you can mark specific references for secondary research and come back to them more easily than electronic bookmarking. Of course, you have to have owned and familiarized yourself with the Urantia Book itself before this reference book can have any value for you. But once you have, you will find this book invaluable. Trust me, there are dozens of UB words you won't find in any dictionary, thesaurus or online search other than in this Concordance. Happy researching.

I would recommend it for that one who has a decent dominion over the Urantia Book. If you are a

beginner do not bother because it is not easy to use. If you happen to need one make sure it is in good shape because you won't find it new

The book arrived in less than 5 days. It was in very good condition and was exactly what I was looking for.
