Customer Reviews

I highly recommend this book to anyone who wants to learn about the seven laws given by G-d to Noah. Rabbi Bindman did a wonderful job of describing each law in great depth. This book is perfect for the serious Noahide or those just curious about what Judaism says of the religious obligations of non-Jews.

Seven Colors of the Rainbow is an easy read while providing a general overview of the history and laws of the covenant given to Noah and his descendants. Each of the seven laws in this ancient and ongoing covenant is tied to one of the colors in the rainbow which God set for a sign, a reminder, between heaven and earth. After reading this book, readers can never again see the rainbow without remembering that, like Noah, all mankind can achieve righteousness through adherence to these seven laws. This is the first book I recommend on the subject.

Every person on Earth, from every religion, ideology, credo, etc, need to read and understand this book, in order to humanity to do teshuvah (return to God) and stop idol worshipping jesus budah, alah, etc. The Torah stated very clear what this book said. Just read Genesis 9. In Genesis 9 God speak to Noah (the Father of all humanity) and make a Pact with Noah and ALL FLESH on Earth,

FOR EVER....So, it is very clear that every religion in this planet are FALSE. Budah, Jesus, Alah and other religions founders, were FALSE PROPHETS.....

I found this book very informative. Highly recommended for anyone who wishes to know why Judaism is not an exclusive religion. We all have a role in this world.
