# AP Human Geography: A Study Guide, 3rd Edition

## **Synopsis**

This 3rd edition of the study guide prepares students for the AP Human Geography Exam. The book includes narrative reviews for each of the topic areas of the AP Human Geography curriculum, and each unit is followed by all new multiple-choice and free-response questions. Two sample exams follow, with each consisting of 75 all new multiple-choice questions and three new free-response questions. The narratives are concise and focus specifically on topics from the AP curriculum. In all, the book has 320 multiple-choice questions and 13 free-response questions for your students' review.

## **Customer Reviews**

Best study guide for AP Human Geography, hands down! Students and teachers love the clear and straightforward material. Several practice exams and questions that are aligned to the AP released exams on AP Central.

Fast shipping. Provided easy reading and study guide is a great resource as compared to other reviews we have purchased.

This book is defiantly worth the cost. It helped me study for my AP exam and i would recommend this for everyone taking this class. The book even includes 2 practice AP tests and 3 essay questions, just like the AP exam was like. There is an answer guide included so you could check your answers for chapter tests which are included throughout the book. Im glad i bought this book, it's worth it.

This book is exactly what I needed. It even has the answer key in the back of the book.Great!

The study guide was very good. It was very helpful to study from for the end of year AP exam

This book helped me get a five on my AP Human Geography exam! I was struggling all year, going along with the textbook and this study guide has everything you need to review for the test.

This plus the textbook gives a thorough review of the subject matter. Just what you need for evaluation time. Not all questions come from the class content. This fills the gap.

Same book that my daughter borrowed from her AP teacher and we received the book very fast. The book do not have answer key.
