Customer Reviews

I have read your previous stories about your family's haunting. Although I have never experienced one myself, I understand that these do happen to good people. I enjoyed hearing about your family and experienced the fear and frustration you went through as I read along. I can't imagine how terrifying that can be and I am sure you all were extremely on edge all the time. The good news I believe is God doesn't make you go through something without a master plan for you. Now that you have gone through, you are able to have compassion and help others that are experiencing this. Bill Bean and Patrick Mehan, both from Ohio, went through horrific hauntings, have written their stories, and now help others too. Thank you for sharing your story.
