Book. This book was an awesome idea of K.J. Erick. A good amount of suspense which leaves you waiting for the next book in the series. I can't wait to see what happens with the kids in the future

So enjoyed the missing years. What fun to be with Jon, Darcy & Colby again. Their daughter is adorable and hope in future for more children for them. Was so happy to read of what it was like for the daughters childhood. Love this series!!! Don't miss out reading any of her books.

Ten stars! All these shorts were so good. I like the way Katherine shows the intimate relationship between Jon and Darcy. And anyone who has toddlers will laugh when Colby pushes between her parents saying, "No kissing! No kissing." Loved Colby! What a joy to have a precocious child added to the mix. I highly recommend this boxed set.

I've enjoyed this entire series. The characters are so interesting. The story lines grab you and I can't put it down until I'm done. I'm hoping Colby continues this series for a long time.
