My Journey To Heaven

Synopsis

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Besteman shares the story of his experience of heaven with astounding detail. Listeners will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.

Customer Reviews

I found this book a compelling read...who doesn't want to know what Heaven is like. We have all heard that those who go through the light don't want to come back. Marvin Besteman, a stubborn

Dutchman as he calls himself, was just operated on for a pancreatic tumor. He was in such pain the night after the surgery, and all of a sudden he felt himself floating free. No tubes, needles! For months after this experience he doesn't tell anyone. The first person is his wife Ruth, and when she asked him if he had thought of her, he told her no. Was she disappointed? I think what happened was it was all so wonderful, that he didn't have time to think of anyone. What he describes is so very very wonderful, no wonder he didn't want to return. I have recently lost my Husband, this book really touched my heart, and gave me a lot of peace. Marvin describes in detail the babies...lots and lots of them. In all stages of development from a few week old fetus to a full term. I have also lost a 77 day old infant, and to hear that they were all happy and laying on grass ...softer than any blanket. He said he didn't see anyone taking care of them, but knew somehow they were all fine. The colors he describes, the gates, the stone walls, and the throne. I could see it all through his eyes. I will pass this book on for others to read, and I'm so glad I was given this opportunity to absorb all that is presented. Of course I wanted more, and would have loved to sit down and speak personally with Marvin, but now it can never be. He did leave again and Saint Peter opened the gate earlier this year. I received this book from the publisher Revell, and was not required to give a positive review.

In My Journey to Heaven, Marvin Besteman describes his visit to Heaven in 2006. He describes in detail what he saw and experienced there, as well as the people he saw and recognized. Normally, I describe the plot of a book without worrying about having to issue "spoiler alerts", but in this case, I don't really see a way to talk about this book in detail without just retelling his story. So, it comes down to this: some people will believe this book, and others won't. I admit that it challenged my thinking regarding Heaven. Everything he described wasn't exactly the way I've always understood the Bible to mean. However, I tried to keep an open mind while reading. Without giving away too much detail, the one point where I felt that this could be on target was when he described what he saw before the Throne of God. It wasn't the type of thing that a man of his generation and theological background would probably imagine. Whether or not he described Heaven accurately, I feel that he sincerely believed that he saw Heaven, and that it looked just the way he described. This could be very comforting for someone who has lost a loved one. It may not be for everyone, but for anyone who will keep an open mind while reading, it is a wonderful reminder that Heaven is certainly real. 4 stars "Available September 2012 at your favorite bookseller from Revell, a division of Baker Publishing Group." Disclosure of Material Connection: I received this book free from Baker Publishing Group. I was not required to write a positive review. The opinions I have expressed are my own. Book Review: My Journey to Heaven, 2012, non-fiction testimony, by Marvin J. Besteman , e-book edition. Date of review: October 3, 2012I personally know of individuals (close personal friends) who have come back from out of body experiences, or from death after 30-40 minutes of being pronounced dead. So I find it very easy to accept the personal testimony of author Marvin J. Besteman, who writes of having gone to heaven from his hospital bed and then come back. The way by which he wrote his testimony left me with the final conclusion he did, in fact, personally witness all the things he described. His words appeared to be honest, heartfelt, and candid, albeit this book left me asking questions for which there appears to be no earthly answer this side of Heaven. It was an enormously joyful book to read and an encouragement. How could I not give this book a 5 star rating? I recommend "My Journey to Heaven" to anyone who has lost a child, either by natural causes, or by abortion because the story addresses those subjects with honesty, vision, and candor. God is good all the time and this story addresses that goodness.Jim E. Reames, Christian author"Valley of the Dry Bones," 1992"LaDon's Lost Diamond," 2008Contributor"GBA2015", 2012, by Sheriff John A. Turner"After the Cloud", 2012, by Sheriff John A. Turner

I'm convinced Marv is basking in God's glory up in heaven with all his family who is already there. I've read a lot of books regarding life after death but I can tell you my belief is cast in stone after reading Marv's account! I can hardly wait myself to get there. I just wonder what God's plan is for my life before I go? Thank you God for Marv's story!
